

GUIDELINES POSTER PRESENTATIONS

7TH GULF DENTAL ASSOCIATION CONFERENCE

3RD-4TH NOVEMBER 2010

AL-BUSTAN PALACE HOTEL, MUSCAT, SULTANATE OF OMAN.

- **The application deadline is 21/8/2010.**
- **Size:** Poster should be 80 cm wide and 100 cm long (80x100 cm)
- **Content:**
 - **Case reports:** The poster should include the title, background, case report, discussion, conclusion and references.
 - **Studies and audits:** The poster should include the title, introduction, materials and method, discussion, conclusion and references.
- **Text:** The printed text should be readable from a distance of one meter and it is recommended to use a font not smaller than 28 points. The references can be printed with fonts smaller than 28 (not smaller than 10).
- **Material for poster:** The poster should be made from paper, thin cardboard or photographic paper. Heavy board materials should be avoided as they may be difficult to keep in position on the presentation panel.
- **Poster viewing:** The poster should be mounted at approved location by the presenter on the first day of the conference (3rd of November 2010) at 07:30 hrs and removed on last day of conference (4th November 2010) at 17:00 hrs. The conference organizers will provide adhesive tapes for hanging posters.
- **Poster discussion:** The scientific committee will allocate a specific time during the conference where poster presenters should be available for poster discussion by the conference delegates.
- **'Best Poster presentation' prize:** The committee will select **'Best Poster presentation'** and the awardee will be announced at the Conference Gala Dinner Ceremony on 4th November 2010.
- The author of an accepted poster abstract will be entitled **only for free registration of the 7th GDA conference**. Accommodation and travelling expenses are not supported by the conference organisation.
- Abstract should be submitted using poster presentation submission form to: 7gdac@oman-dental.org before 21/8/2010
- Any further queries regarding the poster presentation please contact Dr Ali Al Mullahi at 7gdac@oman-dental.org
