**Subject: 15<sup>th</sup> Oman Dental Conference and Exhibition 17<sup>th</sup>-18<sup>th</sup> December 2008**

Oman Dental Society has the pleasure to officially announce the call for scientific abstracts for presentations during the 15<sup>th</sup> Oman Dental Conference and Exhibition, which will be held at Grand Hyatt Hotel – Muscat on the 17<sup>th</sup> & 18<sup>th</sup> of December 2008. Interested Speakers may kindly submit their abstracts no later than the **10<sup>th</sup> October 2008**. Abstracts may be submitted for oral presentations and/or poster presentations. Accepted Abstracts will be included in the printed volume of the event booklet.

The Scientific Committee of the Oman Dental Society will review and short-list all received abstracts after deadline. Final confirmation of acceptance of the abstracts will be E-mailed by the 14<sup>th</sup> November 2008. Abstracts must be submitted electronically by E-mail (address below) in English with the following details  
**(N.B uncompleted applications will not be accepted)**

- 1- The title of the proposed presentation.
- 2- Name of the author, organization to which s/he belongs, qualifications and E-mail address.
- 3- Text of the abstract (should not exceed 400 words)
- 4- CV and digital photograph of the speaker.

The Specifications and Instructions for **poster presentations** will be provided by E-mail for interested authors.

The 15<sup>th</sup> Oman Dental Conference and Exhibition will focus on the latest developments & innovations in all fields of dentistry including those professions complimentary to dentistry. In addition to national speakers, invited international speakers will also participate in the conference. The conference will include pre-conference workshops and an exhibition will take place simultaneously during the conference.

Oman Dental Society is a national organization devoted, since it was founded in November 2005, to continuing professional education & development of standards in all aspects of dentistry.

welcoming you all,

Dr. Abdul Rahman Al-Azri, Head of Scientific Committee
